## SACU 2023 HARE AND HOUNDS CHAMPIONSHIP POINTS STANDINGS 27/10/2023 ver 2

1) The Championship must be a minimum of 3 rounds. For all classes the total completed rounds (in excess of 3) minus one round to count. Riders will drop a round if they scored points in all rounds, the lowest points score to be dropped. In the event of a tie at the end of the season the winner will be decided by the most class wins, followed by most seconds etc. Dropped rounds will not be used in the count back of class wins, seconds etc. If after the count back a tie still exists, then the best overall performance on the latest day of competition that either rider finished shall be the tie decider i.e if only one of the two riders enters and finishes the last event of the year then they win the tiebreaker. In the event that a rider needs to drop a round and has 2 lowest days points the same, the earliest event points will be dropped.
