

## 100 years of Motorcycle Sport in Scotland

### 100 years of ISDE

#### Day 1

The sun rises over the British pits as Day one of the ISDE gets underway. Hopes are high for the week

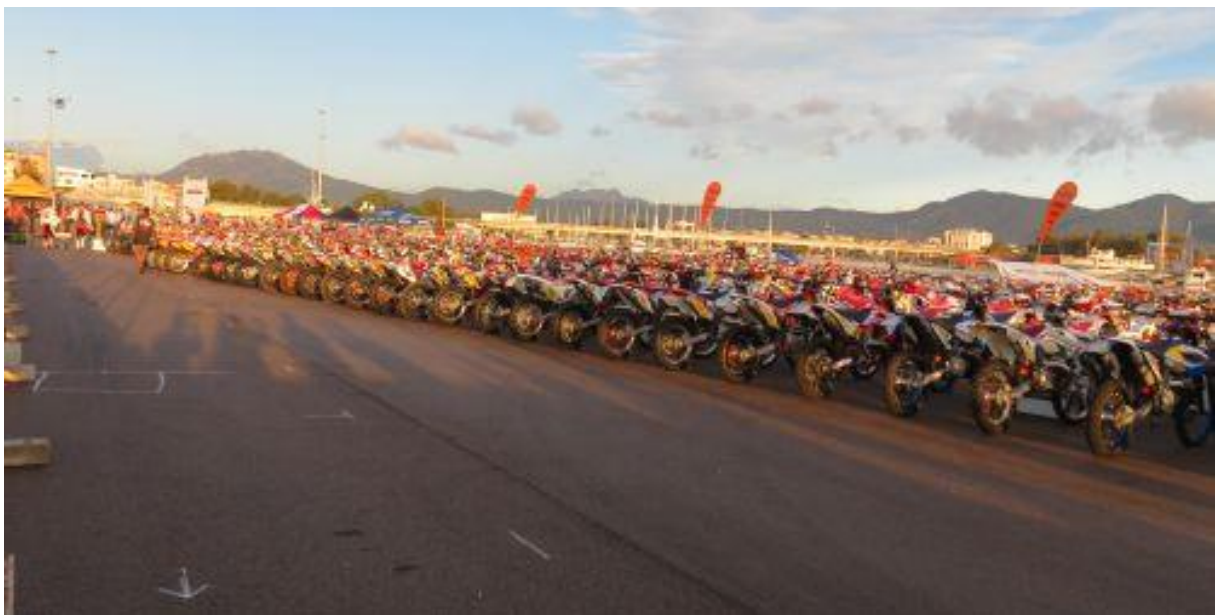

for the British Teams this year with some very experienced riders.

Team Scotland has three experienced riders back for a second time as a team with this also being Rickys 3<sup>rd</sup> ISDE.

Setting off from Parc Ferme they got a rousing cheer from the Scots supporters and a big salute to the crowd from Ricky.

The route was a mixture of easy and fast trails which the riders could blast along. Then there were some very steep climbs. They would be almost impossible in the UK but the granite rocks here had massive grip and were no problem if tackled with confidence. But a lot of riders were getting stuck and queues built up. The team still came in on time and had no penalties at the end of the day.

Neil had a big off in one of the tests – went tumbling down the test and landed on a pile of rocks. He

picked himself up and was very relieved to find no injuries – lets hope the luck keeps going. Neil said “that was probably the second biggest crash I’ve ever had – and I walked away from it. “

Ricky sets off on the 1<sup>st</sup> day

The 2<sup>nd</sup> / 6<sup>th</sup> test . Very dusty all day

#### Results

Ricky Mair	700	36 <sup>th</sup> C1
Neill Chatham	800	17 <sup>th</sup> C2
Frazer Norrie	900	11 <sup>th</sup> C3

It’s a long week ahead – lets hope the lads keep up their great start.

As they say here “Ricky – show us your motor !”
