

100 years of Motorcycle Sport in Scotland

100 years of ISDE

Day 6

Final report of a great week for Scotland and its young riders. There was just one task left to do after a tough, dusty and hot week. Get to the MX and finish on Gold.

Ricky Mair went first and got a great start off the line. He pushed on to finish the race mid pack and picked up his first gold – to add to his silver and bronze. A great ride from the team captain.

Ricky gets a great start and leads the world!

Next up was Neil Chatham in the E2 class. He pushed hard and overtook several riders – but most important he came home in Gold pace – to add to his first Gold in Finland. His Dad – Campbell – has been on edge all week – but could finally let it out as he watched Neil race to his well deserved Gold

Then it was the turn of Frazer Norrie to lead the world – with a magnificent start and a final 5th place. He was flying all day and pushed hard for his first Gold medal.

Kevin Murray put in a great show for the Army team to finish on Gold – another great Scot.

The pit crew – check crew – ST crew and flying squad were behind them every step of the way – and they yelled their hearts out today.

And on the way home we were passed by the Australian team – flying in formation.

Next year the ISDE is in Argentina – in November.

Thanks to the GB support team for all their hard work and support throughout the week. It is a GB team effort – Scotland – England – Wales – Isle of Man. And produced a great result

Final result

Scotland – 9th in the world out of 139 teams – and all 3 riders on Gold – a rare event for any club team. And top British club team.
