

www.cyprus-enduro-adventure.com are the only fully legal insured Off-road Enduro Tour Company operating in Cyprus.

The tours that we offer range from Beginners TRAINING SCHOOL where anyone who has ridden a motorbike can come along and learn to ride full off-road bikes under the expert tuition of our trainers. To Full ENDURO TOURS for expert riders, 3 of CYPRUS ENDURO ADVENTURE tour guides are this year competing in the REDBULL ROMANIACS HARD ENDURO and have years of experience in Off-road riding.

The tours provided range from Sandy coast line, to Rocky Mountains, enjoying the full splendour that Cyprus has to offer in way of Scenery and fantastic riding.

All tours are also videoed by our tour guides using GoPro technology, and QUAD COPTER coverage for extra special video footage of your tour experience.

All of our bikes are new Husqvarna and KTM full Enduro bikes, supplied with full safety equipment: Helmets, Boots, Clothing, Gloves, goggles, water packs.

Our range of Bikes are as follows:

Husqvarna (Enduro bikes): 250 (four stroke), 350 (four stroke), and 250 (two strokes)

KTM (Enduro bikes): 250 (four stroke), 350 (four stroke), 250 (two stroke) and 300 (two stroke)

The only thing that you need to bring with you is a sense of adventure and we will provide the smiles. As the film says: There's something about going riding with your friends...

A feeling of freedom... a feeling of joy...

That can only be fully shared by someone who's done it
