

KTM250exc.

Selling my 2012 KTM250exc due to lack of use, bike hasn't turned a wheel for over two years.

I have owned this bike from new, it has never been raced and only used for green-laning/Sunday ride outs.

Bike comes with V5 and is currently on sorn.

Bike was rebuilt 50 hours ago which included:-

New piston, barrel re-coat, crank rebuild, every gearbox bearing replaced and all seals/gaskets.

Frame was powder coated in chrome and white panels were fitted.

Bike comes with the following:-

Spare wheels, Rekluse Clutch, Left hand rear brake, Trailtech cooling fan, Trailtech Stator, Trailtech side stand, Samco hoses including 'T' hose, Enduro Engineering radiator guards, Gnarly front pipe, KTM Powerparts tail-pipe, front and rear Krieger tuggers, KTM Powerparts side grab, KTM PHDS bar

clamps, Carmichael bend hi-rise bars, heated grips, Exhaust flange guard, KTM Powerparts factory seat, Carbon-Fibre exhaust and fork protectors and quick release rear number plate bracket.

Following have just been replaced and are new:-

Mousses, Chain, sprockets (KTM PowerParts Supersprox stealth rear sprocket), tyres, discs and pads.

Bike comes with spares.
