

For Sale – November 2021

2010 KTM EXC-F 250. Price £3,500

Full service October 2021 - overhaul and rebuild of front fork with new seals and fluid. Brakes bled, new battery, engine oil and filter replaced, oil screens cleaned etc.

Raced only in Sportsman class when first bought. Clocks, speedo, lights and kick stand were all removed from new for racing purposes - I have all these items available.

Bike is in good condition and has been well maintained with routine servicing, oils and filters etc. - any inspection is most welcome.

Aftermarket :

- Pro Circuit end can installed. Again, the OEM part is here with me.
- Steering damper fitted.
- levers and pegs

I also have a lot of Klim clothing, as well as Shoei helmet, Alpinestar boots etc etc, all of which will be going up for sale shortly - buyer of bike can have first dibs, again if interested.

Listed separately is a set of SM Pro Platinum 3 rims with orange hubs, with Michelin Cross Competition tyres. I've included a couple of pictures.

Please drop me a PM if you have any questions. 😊

That's it. All the best.
