Round 2 MOTUL NORTH OF ENGLAND ENDURO CHAMPIONSHIP
Ryedale motorcycle Club Ltd. LANGDALE ENDURO 14th May 2006

Round 2 of the championship was looking to be another dry event for the Ryedale club until Thursday, on Friday the club were faced with heavy storm showers all day and another down pour on Saturday. Because of the rain the marshals were working around the clock to cut out the wetter parts of the course and test with 180 riders already on their way to the event.

However Sunday morning was fine and marshals were armed with cutters and tape ready to remove the worst parts of the course in order to keep the event running. Championship riders set off at 10.30 with four laps off a wet Langdale forest awaiting them, All riders found it very slippery on lap one and gritted their teeth just to get to the end, there was no championship rider clean on time the test was of a cross country nature and was very boggy and rough in places so a good smooth riding style was the key. Top man on the day was young Luke Lusher on his 300 KTM who came out on top, with some very impressive riding, closely followed by the gentle giant Jim Wright on his FMTS KTM. 3rd place went to Will Midgley, also KTM who is finding his speed again after a break from the sport, he was hotly pursued by the up and coming Sean Robinson on his MPS Racing Husqvarna. The expert class was won by the likable Paddy Langan on his trusty KTM from Stanley Callaghan in second and Steve Almack in third all with one minute penalties on the course.

The clubmen had slightly more time on the course but still found the going tough, Shaun Wilson on his Yamaha took top spot on the podium with Robert Brooke KTM 2nd and Dave Myers 3rd.

In our eyes all sportsmen were winners just getting round, but top on the day was L Depledge KTM 2nd John Beaty KTM and a tired Andy Greenwood in third.

The club would like to thank every one for coming and hope to see you in September for we hope a dryer Langdale!
